

## *An ENA Course*

**TNCC:**  
May 18-19, 2025

**CFED:**  
May 20-22, 2025

**CAL ENA STATE MEETING:**  
May 23, 2025

### What is TNCC?

The Trauma Nursing Core Course™ (TNCC®) is a one-and-a-half-day course developed by the Emergency Nurses Association® to present a firm foundation in trauma nursing and to provide nurses with core or basic trauma cognitive knowledge and psychomotor skills that are associated with the delivery of professional nursing care to the trauma patient.

The goal of TNCC is to improve trauma patient outcomes by providing nurses with foundational trauma knowledge, skills, and a systematic Trauma Nursing Process to guide trauma patient care. Verification of successful course completion is based on passing the written exam and the Trauma Nursing Process (TNP) psychomotor skills station. Verification is valid for four years.

### Continuing Education Info:

The Emergency Nurses Association is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation, Provider Unit #P0232. The Emergency Nurses Association is approved by the California Board of Registered Nursing, Provider #2322.

**This 9th edition TNCC provider course has been approved for 19.50 contact hours.**

### Course Fee:

\$450 including textbook; Register for both TNCC & CFED and save with code **TNCC2025**
